The Lady:

Tara is a pretty red-head in her mid thirties. Slim without being skinny with a very nice 36C-24-36 figure, firm and well-toned

The Story:

Some girls acquire great skill as escorts but Tara is an absolute natural. She has only been escorting for a few months and has taken to it like a duck to water. If, like me, you enjoy the company of a woman who is really enjoying the date as much as you are, then Tara's the girl for you. We enjoyed a leisurely lunch while getting acquainted and the conversation was relaxed and easy from the start because of her open and friendly personality. In the bedroom her approach is, "If you want to try it, go for it and I'll let you know if it's not on." Nothing that I was up for turned out to be in that category. I cannot recommend this lady too highly. She is just great fun to be with and an absolute cracker in the sack. We are already discussing the location for an overnight.
