The Story:

I have been to a few parties now and they just keep getting better Started off with the lovely Amy a sexy half Italian long haired brunette moved onto to Stephanie who swallowed a large amount of my spunk Then to the hot garden with activities no cooler than the blazing sunshine

Back upstairs to watch Natasha taking on 3 to 4 guys Had my cock sucked by Candice and Amy at the same time and came all over Amys pretty face

More rest and wine and food then off to be sucked and fucked by the lovely Laura whilst watching Alex deepthroat another guy and finally finished off in a 1 to 1 with my fave lady Natasha

Great day thank you girls
