Tall, extremely slim and leggy blonde with stocking clad legs up to her neck and sexy heels and undies! 26 years young!

The Story:

Roxanne has had problems with her mobile and has been forced to change her number so I was delighted when I saw her ad in the local press, called and realised it was the very same babe!

I have had the pleasure of her entertaining before and consider her to be one of the best! There's loads of shite in Bristol, so the gems tend to stand out!

Greeting each other like long lost friends, I was so determined to ensure that I made this meet as though it was poss. our last, so plucked up the courage to be a bit more specific with my requests, not that her usual service ain't satisfactory.

Roxanne has a lovely shaven haven and with my slight sub nature, asked her to tie me up, blind fold me and sit on my face! Necture!

I was of course, first treated to her sensuous massage technique and relaxed and bubbly conversation.

Once I was bound with stockings, I was presented with the taste that I have missed for so long and could have easily have exploded there and then. Fortunately, she recognised this and took things calm and steady, saving my climax for the most wonderful 69!

Charming and genuine babe!
