### The Premises:

Chen's place is located discreetly and is easily accessible. Her apartment is large, clean, tidy and tastefully decorated.

### The Lady:

On meeting, she is beautifully dressed right down to the subtle and pretty jewellery that she wears. Once more closely acquainted with Chen, one finds her skin to be blemishless and her curvacious-while-petite figure to be perfect.

Chen leaves nothing to desire in her presentation.

### The Story:

Chen is understandingly discreet. She makes witty, charming conversation and when one comes to 'know' her, is exquisitely sensitive to 'special individual needs.'

She offers unhurried and generous helpings of her range of sensual entertainments, a range that remains unparalleled by others.

Chen is a wonderful all-round person and in general, a must-visit for all seeking a very special time.
