The Premises:

It's ok in comparison with the other main Edinburgh Saunas. It was clean and safe although a little cramped.

The Lady:

Early 20's, Dark Blonde, Curly, Shoulder length hair. medium build probably a size 12. 34c breasts and a cute face with luscious lips.

The Story:

we had a nice chat as she massaged my back,told me to turn around anytime I wanted. She said when asked she does almost anything, but she looked at the video that was playing and winced at the anal scene that was on at the time. So I don't know if she does anal. Anyway, she does a great OWO or BBBJ. I could have sworn at times she looked like Holly Valance of Neighbours as she sucked my Knob while I was on my back. Great 69 and rubbing my stiff knob all over her tongue and lips with eye contact. Then onto sex (with a condom) really allows you to work up a rate of steam. Finished off cumming all over her stomach as she fondled my balls, whilst between her legs.
