The Story:

Oh dear! Fantasia is the home of such wonderful ladies as Danielle and Joanne. I made the huge mistake of expecting to call in on spec and be met by someone equally wonderful - WRONG! Looking back I should have made my excuses early and left. Lisa applied the baby lotion like she was rubbing in sun tan oil, can't call it a massage. A bit of O with and then the full sex. I opted to go on top. Lisa lay there, legs apart, arms by her side and waited for me to get on with it. It was the worst shag ever. Even at 20 quid it was overpriced. I expected so much more of fantasia and I am so disappointed.
