The Premises:

Basement flat. Entrance from main road. Average area safe to wait till the door is opened by the maid. (There is rear entrance but building work in progress). Ample parking around side roads. Flat was clean and has been recently painted in a nice yellow shade. Was told to arrive at 12.30pm. Debbie was late and for the wait I got a good discount.

The Lady:

Debbie is a very friendly lady. She is well endowed and has good statistics on the side of being voluptuos. She was right for my taste.

The Story:

I was laid away by Debbie from the waiting area into a good sized double bedroom. Started of with kissing and close cuddling. Very intimate and Debbie made me relaxed totally and slowly undressed me. Started off with tie and tease.....every minute well worth. Came first time with Debbie on top. After a good massage was led into the shower. The experience was enough to awaken me for a second round within seconds of being there in the small shower cubicle. Before coming the second time around in missionary, spent good time in 69 position. Once again every minute was as interesting and well spent as in the first session.
