Tastefully decorated bedroom with good firm bed, setting the mood for a delicious experience.

The Lady:

Slim blonde, 5' 6", with catwalk type figure and big blue green eyes. Looks good in any clothes but always looks stunning when greeting you at the door, and even better when she removes them. Every part of her anatomy is beautifully formed, most especially the vital bits for any hobbyist. She has a wide generous mouth, very sensitive nipples and a perfectly formed sweet tasting shaven pussy. She is warm, intelligent and welcoming. Her gentle bedroom manner belies the brash, confident impression that she gives when setting up an appointment on the phone. She is at that most desirable of ages for a woman, at the threshold between her 20's and her 30's.

The Story:

I have visited her many times, and this is why. She has a warm, generous nature and fucks with a gentle intensity that feels like making love. On this occasion I lay on my back having stripped for action, glowing with anticipation of the enchantress's arrival. I enjoyed helping her remove her slinky black dress, fondling her small but shapely breasts in doing so. She always works in a pair of sexy black stockings. We chat in the early stages of foreplay before my head burrows between her shapely thighs to feast on what lies there. The musky taste is to me like nectar, and I always spend some time cupping her lovely buttocks in my hands whilst she gently gyrates her hips, forcing my tongue deeper inside her. We change roles before she reaches orgasm, because almost by accident, on an earlier assignation, I discovered that she responds strongly to my modest appendage, once I place it inside her. Before I did that Shanna, as usual gave me the benefit of her expertise with superb fellatio. After about six minutes of quite intense fucking, she came to a shuddering orgasm. About a minute later I let go. It was, as usual delicious. Having punted 39 other working girls over the past 5 years, Shanna is the only one who responds in such a profound way to my wee willy. She is simply brilliant. She is so at ease with her own sexuality that she inspires you to do things that you didn't believe you were capable of.
