Review of Brogan of Manchester

Review No. 21972 - Published 30 Jul 2002

Details of Visit:

Author: guitarist

Location 2: Northenden

Type of Visit: Incall

Date and Time of Visit: 28 June 2002 Midnight

Duration of Visit: 40 minutes

Amount Paid: 55

Recommended: Yes

Details of Service Provider:

Profile Name: Ladybirds

Phone: 01619451962

The Premises:

OK Place - nice reception area. Place is as secure as Fort Knox. On main road, so might be less discrete at normal time of day - open from 11am to 6am with shift change at 9pm.

Room on second floor has jacuzzi - not offered the use of it, or a brew. Bloody hot even with the window wide open.

Introduced to both girls, other was a shorter, slightly fuller figured Australia, but I was there for OWOTC, so it was the other one.....

The Lady:

Brogan is actually called Zara here, and at the Toucan, and Brigan at Kellies - busy lady. I'd forgotten I'd seen her a couple of months ago at Toucan, but she remembered me. I didn't write an FR then, because we didn't click too well. I'd put her at late 20's, medium height and slimish build. Great legs and boobs.

The Story:

Felt a bit miffed when OWOTC turned out to be ?20 supplement, rather than the ?10 I'd been told on the phone, but it was one of the best I have had.

We chatted throughout the rather perfunctory oil massage, but having turned me over, it was straight into OWO. This was one of those occasions when you know it's going to be a good session as soon as it starts, and I wasn't wrong, so I had to switched quite quickly to O on her, which lasted a long time. At first I knew she was going thru the motions, but after a while she warmed up, and even gave me some encouragement before getting very wet indeed.

My turn again. She was very responsive to my requests to change the tempo and depth; went for a grat lick and suck of my balls, and drained me dry.

Having had the previous experience I can see how LizardKing felt the way he did about her in FR 19606, but based on this experience I have to say a high 90% performance. I'd certainly not refuse a return match.
