The Premises:

Good facilities with very private rear entrance - very nice receptionist. About 5 girls in the lounge.

Pricey - ?25 for the room for an hour then ?100 for the girl.

The Lady:

Attractive but somewhat unusual looking girl. Very nice face, lovely (enhanced) boobs which jutted straight out; stick thin (not slim!) all over her body. Very pleasant girl who comes from Wales.

The Story:

Decent enough session - Oral but no OWO; forgettable massage, reasonable sex, finishing off with masturbation. Charlie let me touch her all over but I don't think she got particularly excited. No kissing - and I'm a clean reasonable looking guy!

I enjoyed my visit with Charlie but she needs to put more into it if she is going to be successful in this career.

Forgettable - except for that body! Not good value for money.
