The Premises:

Small parlour off of Two Mile Hill in Kingswood. Entrance was through a discreet side door in an alley way. Good directions given over the phone and plenty of parking within easy walking distance.

The Lady:

Described as 19 over the phone but admitted to being 25 when I arrived. I'm not too great with sizes but I would say that Amy was about 5'9" and a size 8-10 with 34B knockers. I was offered a choice of ladies but choose Amy because she had a very nice arse.

Amy has long blonde dreadlocks and came into the room wearing nice black lingerie and knee high boots. She was very pretty and was certainly the kind of girl that would turn your head if you walked past her in the street.

The Story:

I arrived at 13.15 but had to wait for the girls who were still driving through Bristol (they were supposed to start at 11.00). By the time they arrived 3 other men had also turned up and we were all herded into separate rooms to divert an embarrassment.

As I had arrived first I was given first choice of the two girls. Shelley has been described in other field reports, but Amy was much more my type so I made my decision before being ushered into one of the side rooms. Amy asked me to undress and sit on the bed before coming back into the room and giving me the usual massage parlour massage.

We got chatting and I found that Amy was a great girl with a lovely sense of humour. We had a few things in common and were of a similar age so I felt very comfortable with her. After a few minutes she asked me to turn over and massaged my front before getting down to business.

Unfortunately Amy told me that she did not offer oral without, so out came the condom and (after telling me to "spread 'em" in a very dirty way) down she went. I was expecting to not feel anything at all, which is usually the case when given a covered BJ, but this was fantastic and I could happily of led there for hours. There was a mirror on the wall next to the bed, so I had a nice couple of minutes watching her bobbing up and down. Lovely.

After this, Amy then announced that she didn't go on top either - which is a shame because that is my favourite position. She asked me to take her from behind which was a fair enough substitute, so off I went. This gave me a chance to look at Amy's lovely arse and to have a quick look in the mirror which is always nice. After a few minutes Amy turned over and I climbed on top. Amy's dirty side came out again as she ordered me to "fuck me harder" and started grinding herself onto me. A man can only take so much, so after some of this I was finished.

I really enjoyed myself with Amy. She is a great girl and we seemed to get on well. She has a great figure and is very confident and bubbly, the kind of girl that I could sit down with and talk to for hours. The only down side was that only two girls were working and two guys were waiting - so I did feel as though I was slightly rushed. Perhaps if I had waited I would have been able to spend more time with Amy, which would have been great.
