The Premises:

A very smart and well appointed apartment a couple of miles from York city centre. Easy to find from Cat's directions.

The Lady:

Her photos are a very good likeness as others have commented

The Story:

As soon as I arrived she greeted me like an old friend, even though it was of course our first ever meeting. I find, like everyone I guess, that it always helps the ambience if the lady is personable and Cat is very friendly as well as undeniably sexy, so I was well relaxed by the time she dropped to her knees and gave me a top class uncovered bj to completion.

Having returned the favour, we had plenty of time left to have energetic (well, as energetic as I can manage), raunchy sex in a number of positions.

There was absolutely no rush to get me out of the door and I stayed talking to her well over my allotted time.

Platinum level service.
