The Lady:

Diane is beautiful East European girl, beautiful fit body, lovely bum and boobs, in her early twenties, very friendly, very nice, and wonderful girl to be with.

The Story:

I have seen Diane few weeks before for an hour and I had only 20 min of encounter and the rest of the time we chatted and I left, at that time I did not make my mind about what she up to !!. This time I only went for one hour and extended to three hours. Diane is very lovely girl to be with, very nice and very friendly. We had three hours of excellent fun. Diane is very responsive and participative and willing partner. Diane said that she enjoy the job and willing to try new experiences. Her OWO is superb and it has gone on for hours, wonderful 69, reverse oral that she love, Enjoyed every part of her beautiful body, many positions, and more and more and more ???.. In between we had a shower to refresh and more fun !!.

Diane enjoys everything including anal, but anal is limited to the size that she can handle. I like sensual French kissing, but Diane French kiss little but if she does full sensual French kissing then she will be the queen of Kingdom of East London!!

I am sure that you will have a good time if you spend longer time with her rather than short booking. She is also working in Forest Gate in Tuesdays (0208 534 4598). It is very surprising that Diane working for short service types. She is very high quality girl.
