The Premises:

Amber lives in a nice house which is very clean and tidy! You certainly feel comfortable here!

The Lady:

Her photo was only a small idea of what was to come! Upon arrival her (and her friend) surpassed my expectations. She has a stunning figure and is really well proportioned! I don't think her looks would dissappoint anyone!

The Story:

When I arrived i was immediately put at ease, and there was no need to rush as we had a lot of time.

I wont bore you all of the details but she is a really lovely genuine person, who loves her job (no need for lubrication!). What impressed me most was that she is obviously from a good background and is a pleasure to talk to!

Sex was great, usual positions oral etc. With her friend you can have a show, and what a show. 2way actionn at its best.

All in all it sounds corney, but this was a TRUE girlfriend experiance. I can't wait till my next visit!!!!
