The Premises:

Nice clean apartment with a spectacular view but obviously thats not what i was there for. It seemed safe and in a respectable part of the town.

The Lady:

Gorgeous figure!! She said on her website that she was slim and petite and it was true. its a shame she does not show her face because she is absolutely stunning!! Nice dark hair and eyes. Nice complexion.

The Story:

I arrived on time and she led me to the bedroom and offered me a drink. A minute later she returned with a drink and said we should get business out of the way. We started off with her giving me a very relaxing massage. She is friendly and fairly chatty so she makes you feel comfortable quite easily. She then went on to give oral with. she knows what she's doing but i woulda preferred it without. Then, couldnt take it anymore and told her to get on top. We changed positions a couple of times before i exploded! Definately brilliant!!
