As reported almost daily. My first visit & all things that I have read are true. Clean. Busy. Erratic shower temperature! Oooh ahhh!

The Lady:

Just my type. Slim, fit, longish brunette hair. Sparkling eyes & a great smile. Pictures on the website very accurate.

The Story:

My first visit to Sandys. It will not be my last. I am still quite new to this punting hobby & as such still nervous. I noticed that Patrice was working on this Monday & had promised myself that she would be my first lady at Sandys. Paid my ?50 to the receptionist. Had a shower & waited in the room until Patrice arrived. She told me how she worked & told me what she liked. I was offered a "cum twice" for ?20 extra. I thought that I would go for this. Patrice said that if I changed my mind after the first cum I could as sometimes "eyes are too big". I said that I was happy with that. Lovely massage, intimate kissing, plenty of time taken. Over for a lovely BBBJ. It was lovely but I came so hard that I wasn't able to rise again! But I was absolutely satisfied. Patrice said that next time we should do it differently & suggested a lovely exciting plan! I am now joined up so can book. Thanks Patrice & Sandys.
