The Story:

As is my taste I went for Pamela's dirty domination session. She appears to enjoy this scene with equal ease. As discussion on board, domination is becoming more mainstream!

Pamela tried most of the ideas which interest me and we had discussed. She threatened me with a few more, some of which I hope she takes up on my next visit, others are best forgotten about as far as I'm concerned!

All in all a great way to spend an hour. Thank you Mistress pamela!!
