The Story:

This lady was surjested by the agency as simona was not about. Iwas told that her photo,s were about to go on the web site soon. She is older than my usuall choice but i am glad i saw her. She has been here from russia for about 6 months but her english is good.I had owo and she swallowed every drop and then took her from behind after a small rest period. I think it was a good service for the sum paid and will see her again soon.
