The Premises:

Very safe residential location. There were shower facilities and the equipment is obviously regularly cleaned. Spacious and very atmospheric.

The Lady:

Tall, athletic and physically imposing. Has the most hypnotic eyes, beautiful smile and amazingly captivating personality.

The Story:

A Lady who takes control the second you are in her presence. She beat me with so many implements i lost count. Between each 10 strokes or so, she would lean over and rub her breasts into my back. We ended with foot and leg worship, Goddess allowing my to lay worshipful kisses on her soft skin. Amazing!!
