### The Story:

On arrival was shown to the bedroom and offered a drink. Debbie entered after about 5 minutes and went through the prices. Opted for the full personal with assisted shower. Debbie told me not to undress as she likes to do that, she then proceeded to slowly undress me in front of the mirror, this was done with lots of kissing & cuddling. Led to the shower, where we both lathered each other up, excellent. Back to the bedroom, given a good massage followed by more kissing & cuddling. Performed oral on each other and used the vibrator on Debbie, which she seemed to enjoy, lots of eye contact throughout. Sex in mish and doggy, finished by hand over Debbie's tits. Definitely a GFE.

Sat and chatted after we had finished, Debbie showed me her new website, which should be online soon. It was pouring with rain when I was about to leave, Debbie insisted I stayed until it stopped. Chatted to Pat the receptionist whilst Debbie saw to her next customer. Eventually left just before 7pm, 2 hours after arriving. This was my first visit to Debbie's, both ladies made me feel very welcome, without a doubt the friendliest place I have ever visited. Thank you Debbie for a wonderful time.
