The Premises:

Easy to get to and parking near by. Busy road but I felt safe.

The Lady:

Lovely face and large breasts. Not slim but not fat either - I liked what I saw!

The Story:

Agreed on VIP which included assisted shower (mmm), kissing (just lips), toys, oral (with) and sex. I had a great time and she enjoys what she does and makes all the right noises! One of the best sex sessions I have had although a shame they only kiss on the lips there. That is the only thing missing for me so 9/10.
