The Premises:

Very nice basement flat in pristine condition, even the steps down from road level were swept. Upmarket safe area.

The Lady:

Marin is of medium height and a light complexioned Chinese lady with masses of thick black hair and what is best described as a glamour model figure. Her web pictures are good and the reality is better.

The Story:

This was my first experience of Finedate and I have to say I found them very professional. Having been guided in to the correct location I was welcomed in by this vision of Oriental lusciousness. A drink friendly chat and shower and we were into the elegant bedroom with some mood music in the background.

The next hour or so was pretty frantic. We started with some skilled oral then sex in a couple of positions finishing doggy style. A bit of rest and a proper massage later and we were off again, more oral, and Marin on top riding for England (or China). A post coital cuddle which somehow turned into a vigorous hand relief session and that was your correspondent out for the count!

As a "mature" punter to find a girl that can bring me off three times in a session is quite something. Yes Marin is a bit expensive but guys you get what you pay for and this is a special lady. I suspect that Marin actually gets better as you get to know her - and there's only one way to find out!
