The Premises:

Basement flat, near Earls court station, in a quiet side road. Safe, nice outside area, plants, flowers etc. with a private entrance. Very clean and tidy both inside and out.

The Lady:

She is just so BEAUTIFUL with a figure to die for, Ill say it again her pics do not do her justice. Her bottom is most exquisite, long legs, lovely figure beautiful face, and skin as smooth as silk not a mark anywhere. JUST AMAZING

The Story:

My first time, had lots of things wanted to try, she new exactly what I wanted, sexy role play I was her slave to use as she wished and boy did she use me. she dressed in High heels and stockings rubber skirt and little else, she had me kneeling and soon had me hard as concrete, she tied me down, and sat on my face allowed me to lick her which I loved especially licking her bottom and smothered me too. Used her fingers on me had me begging to do anything for her and she could do anything to me which she did in the form of a vibrator and a strapon, (the best experience I have ever had). I could go on but want, but to say she knows what shes doing is an understatement she is SIMPLY THE BEST
