### The Premises:

Very safe and discreet when inside the car park. Clean inside, currently rerenovating, good facilities(Shower, Jazzusi, Sauna etc..), A dungeon for those naughty boys too which currently opened.

### The Lady:

Laura - A Sophisticated 5' 6" brunette, with an arresting personality

A well educated girl who knows a thing or two. A bit of a big and lumpy arse, but all in all a attractive lady.

### The Story:

She arrived up the stairs in a nurses outfit looking fine, got in the room and got on my back for her to give a back massage.

Turned over to discover that her charges were very expensive, ?30 for HR, ?35 for HR + Full strip and etc.. I opted for ?35 as that was how much i had.

She also through in a free sex show for me which was very pleasent and knows how to please, as she gives lots of attention to the parts that matter.

She then came over to me and started to wank my big cock, as i sucked her tits, she does not let you finger her so thats a warning.

started off slowly with lots of oil and sucked my nips aswell.

All in all a good massage and a good wank, (But i could have done that at home). what a watse of time.
