### The Premises:

Nice, clean flat down a back street in the Tally Ho area of Finchley - a little awkward to find if you don't know the area!

### The Lady:

Stunning oriental girl. Very pretty face, petite figure but with perfect arse & breasts - what more could a guy ask for?!

### The Story:

I asked for a full personal service. Massage to start off with, beginning with the feet & working up to the shoulders - This was worth the whole fee in itself! Lilly certainly knows what she's doing & it felt fantastic. Then it was on to oral with, (don't know if she does owo - didn't ask) then sex with her on top, both of which were just mindblowing!! Definitely one to recommend, & definitely one to visit again!
