The Story:

Repeat of the last visit. Shanna was out playing darts and I had to wait a little for her to get back so went round red light district which only got me more excited before I got to Shanna flat.

She put on the rubber dress and gloves for me and we had a similar session as we had had a few weeks again. She sucks very well and the 69 was great.

Shanna is going to arrange for a 2 girl evening for me with two of them in rubber. Fred is stirring at the very thought. I'll have to go now to practice shaking hands with fred!
