The Premises:

Victoria House is pretty much as described in previous reports. Though is being redecorated at the moment, the room I was in was clean, and comfortable with a lot of thought gone into the functionality of it (mirrors, bed, massage couch, sink, fan to keep it cool, that sort of thing). Private courtyard at back provides safe parking.

The Lady:

Website description seems very accurate so I'll quote,
"5' 11" with a perfect 36DD-24-34 figure, and with golden brown hair and complexion"

The Story:

Once in the room, Natalie soon stripped to her lingerie (very tasty) and started with the back massage. Bra came off during this so that I got massaged by her firm breasts. Turned over for some more excellent massaging, before a quick discussion of prices and requirements, and onto the main action.

A quick toy show, oral & sex in various positions all round the room before the big finish of mish on the bed. All very, very good.

There is a sign on the wall saying that if you have any complaints with the girls or staff at Victoria house, then you can make the complaints to them. I like to think I would tell them to their face if I did have any grumbles, so only praise to Natalie (very sexy) & V.House in this report. If I'm ever in the vicinity of Lutterworth again, you'll be guaranteed a visit.
