The Premises:

Easy to find with an A-Z and good directions. Park safely right outside. Entry to flats by buzzer met at the flat door. Felt perfectly safe. Very friendly greeting.

The Lady:

If you are a tit man do not bother to read any further! This lady is SLIM (even thin) with next to no breasts but responsive nipples. Attractive, fairly tall, blonde with very nice high heeled shoes. I didn't ask her age but think about 26.

The Story:

This is one of the best punts I have had for many years. Comparable to my experiences with Shelley (see other of my FR's) Its like buses....you wait for ages and then two come along at once! In fact I set out to see Shelley again but without success (she was starting too late for me) so after reading other FR's on Roxanne decided to take the plunge. I was delighted with the entire three quarters of an hour. Everything was superb: Kissing, OWO (depending on cleanliness of punter)but NOT to completion, reverse oral (delicious!) I cannot fault this lady. She has found herself another regular who hopes to keep cumming (pun intended). Treat her with respect she deserves it. I believe she sometimes does Anal depending how she feels but not my scene. Will I return? Is sugar sweet?
