The Premises:

Very handy location, a short walk from Anerley train station.

The Lady:

Lee is just the right height for me - about 5'5" or so. Lovely curves and a very friendly smile.

The Story:

Well I was a first time punter and Lee was the ideal lady for the job - she put me at my ease and discovered erogenous zones in places where I didn't even realise I had places! Not only that, she let me lick her pussy which is something that I particularly love.

I think because it was my first time and I was a bit nervous, it took quite a while for her to get me to cum. In the end she finished me off by hand in such an amazing way that I came in buckets.

This girl certainly knows what she's doing, and I will definitely be back again - soon!
