### The Premises:

The Georgian, continues to be safe, secure and clean. Welcoming staff, 4 girls to choose from on this occasion, but Morgan was the best looking and offered extras.

### The Lady:

Fairly tall, blonde shoulder length hair. Slim figure, very attractive. Ex porno movie star, says it all really.

### The Story:

Another very nice session at The Georgian. Kept waiting a few minutes by Morgan, but not too long.

Straight down to action with a prolonged session of OWO. Her technique's a bit different, but very nice, quite firm! Lots of touching, probing, stroking and licking (plenty of ball action - in fact too much for my liking I had to ask her to ease off!). Eventually round one ended - was expecting CIM, which was offered over the phone, but she expertly judged when I was on the point of no return and stopped with her lips just in time and continued with very moist fingers. No CIM was a slight disappointment, but the sensation was little different in all honesty, the build up was very good.

Then a massage (perfunctory) and a chat. My fingers started wandering and soon old JT was standing up for seconds. More OWO, then sex in a few positions, then I suddenly fancied something a bit different and went for A levels. Round two finished, cleaned up, showered, and that, gentlemen, is that!

In conclusion, a good vfm session. You can't go wrong with Morgan, but she's not quite in my top 3.
