The Premises:

End Terrance in Residentail area. Alot has been said about this Kelly's place, but I think that have smartened it up a bit to try and compete with all the new places it Swindon, but they still have a long way to go.

The Lady:

Libby is 19, good looking young lady, Size 10 and very small tits (probably AA). Shaved and quite.

The Story:

Went for OWO plus the standard full personal.

Libby does a good massage front and back, and is not rushed. She is quite shy and takes her time taking off here clothes (she likes to work at her own pace). Not much of a hand job but an excelent OWO (but not to completion).

She was happy for me to play with her, although she enjoyed it she said it does turn her on. She likes sex.

Eventually got down to sex, which she really seemed to enjoy (and so did !!).

Libby is a quite girl, she doesn't like to rush and is subtle.

If you like bit tits and the girls saying "fuck me harder" Libby's the wrong girl for you. If you like an unrushed experience with a pettit girl who is subtle give her a try.
