The Story:

As usual, started with refreshments, did not have to wait(very rare) and went into the bedroom, money quickly sorted out. Bonnie quickly returned to start the process, started undressing me, very nicely done, lots of kissing then went for the customary shower lots of kissing in the shower, followed by a lovely relaxing massage. Turned over for Bonnie to concentrate on the important part, before condom was placed on for some nice oral, no rush and lots of eye contact (could be a young version of Debbs). Moved on to Bonnie on top before moving to missionary and finally at my request finish by hand with some more kissing whilst undertaking the hand relief. After getting dressed, had a nice chat with the maid & Bonnie, whilst I finished my drink.

Bonnie is very friendly and chatty and I must say that I will definitely see her again.
