The Story:

I've read in other reviews of Emiko that she provides a very girl friend like experience. Being rather new to punting I must admit that I was not sure this was possible, however I am happy to say that the reviews are true. I was a bit nervous going to her place, again new to punting. However, from the second I walked in her door my nerves vanished. She put me very much at ease. I found Emiko to be not just attractive but also good to talk to with a nice sense of humour. Her moves are indeed very sensous and erotic. Strangely I find myself not wishing to provide detail beyond that. Suffice it to say that I will go back.
