The Premises:

Grotty flat on the bottom floor of a council block. The room itslef is cluttered up with a bunk bed and there is barely room to move around the bed

The Lady:

Early to mid 30's, dyed blonde hair good figure with average sized breasts with gorgous nipples. Unshaven.

The Story:

After agreeing for a full service with OWO (?20 extra on top of the ?80) we got down to business. Kelly is a nice talkative girl who is good at her job.

Unfortunately she suddenly reavealed that kissing was "?10 extra". Be very thorough with what you want to avoid problems. Also I asked to cum in her mouth which she agreed to. I was in the middle of doing so when she bolted for the bathroom, she didnt even wait for me to finish.

It wasn't good value for money, but I've had worse.
