The Premises:

room in mayfair which she rents off a friend, very small and cramped and did not feel comfortable at all. friend also does not let you smoke so generally very uncomfortable

The Lady:

looks nothing like her pictures on the website. much shorter, about 5'3". pictures on website very stunning so i was very disappointed by what i saw

The Story:

this was really a very big disappointment. crap location, lady who looks nothing like website pictures, and the sex too was crap, started to complain after about 10 minutes. i left this lady feeling i'd been hustled and can you imagine her cheek charging 300 pounds. you expect the more you pay the classier the ladies should be. this girl in my opinion should probably be in a massage parlour
