The Story:

After our initial chat. I was lead to the "domination room". Wow! what a place. Uniforms & toys everywhere. When Sasha entered I was naked & kneeling. Soon she commanded me to lie face down on the bed. She then tied me up & spanked me good & hard. After that she released me, only to secure me to the St Andrew's Cross. She then went to a cupboard, got a pump gag, & gagged me. With a combination of hand/oral she wanked me off & I came explosively into the condom she had put on me. What an experience!
