The Premises:

Clean, pleasant basement flat. Street outside part of Earls Court B&B land but not a problem.

The Lady:

Very pretty young thing, probably early twenties. About 5'5", nice face, longish light brown hair, slim but curvy, medium tits, nice round ass.

The Story:

Fancied a bit of a change and go somewhere that did slightly kinky stuff as the norm. Abbie was booked through lunchtime so had to skive off work for my bit of pleasure.

Abbie came into the waiting room to make the usual intros - very bright and friendly and put me at ease straight away. Made it clear that anything a bit kinky was fine and didn't bat an eyelid at anything. I opted for a fantasy scenario with me in stockings and suspenders and her in control - her mission to tie, tease and turn me on before giving me a good seeing to. I was told I was only here for her pleasure and could not do anything or come unless I asked permission.

One in the lingerie, she tied me to the cross and told me that if I didn't get soft she would not let me have any more fun. She then proceeded to turn me on big time with stroking, rubbing her tits and bum on my cock, licking my nipples, ears and balls - superb. After what seemed like blissful ages I finally lost my raging stiffy for a few seconds. She took me down, and ordered me to lie on the bed where she tied my hands and played with my cock, balls and bum, making me as hard as nails again.

After untying me, she ordered me to bend over and gave my ass a superb seeing to, first with fingers, then with a long thin dildo, then with a chunky strap on (all covered) which had me begging her to fuck me harder.

Once I had had enough she let me fuck briefly in the doggy position but decided I was not good enough to have more than a minute so she told me to kneel on the bed where she sucked my cock

hard and fast - fantastic, I was having real problems holding back. Finally she whipped off the condom and wanked me off for a fantastic finale - brilliant.

When I looked at my watch we had overrun by at least 10 minutes we had got so carried away.

Abbie, thanks for a superb afternoon, I will be back as soon as funds allow!
