small tits, athletic body, hard as nails

The Story:

I arrived at noon, by ten past she had come into the room, she gave no massage, but did a high speed show of stuffing a vibrator up her, gave me some head with it inserted in front of me- but out of licking distance, lay besides me, with leg held out and allowed me to finger her, stood on the bed with the dildo in, rode me cow girl but facing away, so not much breast contact. Then on the side of the bed, then doggy. eventually she sat in front of me and I came over her stomach.

A very speedy session. I was out in 10 mins. (20 if you count 10 mins watching blue movie!)

I don't know whether the commonwealth game has ruined the manchester scene, it certainly wasn't what I was expecting.

Morgan use to do two days, but has been reduced to one - wednesday. Anyone who wants a decent massage will go and see Lady penelope who works in Cherry's on wednesdays.
