Clean and tidy flat in the Embassy district of Kensington, close to the Museums. Felt very safe.

The Lady:

About 18 years of age, 5'6" and 34B-24-34. Long blonde hair and slender build. Trimmed pubic hair, with a heart shaved into it. Speaks very little English. Photo's on the website are of her.

The Story:

Pamela is a very pretty girl who matches her description. The photo's on the website are recognizably her - she told me that she's been in England only 2 weeks. She speaks little English and seems to understand less. I suspect that she's been taught some stock phrases and little more. However, you weren't going to see her for the conversation, were you?

After I arrived Pamela showed me to the bedroom where she got me a drink. After we'd settled the financial side of things she pushed me back onto the bed and we had a kiss (with tongues) before starting to undress. As a by the way, she was wearing the pink underwear that she's wearing in her photo's. I was then asked either to take a shower, or whether I wanted a shower - I'm uncertain which!

Pamela is quite tall and very slender. Her nipples are quite small but are surrounded by quite pronounced, soft coral coloured areola. Her pubic hair is trimmed very short with a heart pattern shaved into it.

After a shower Pamela undressed and began to give me a very slow (uncovered) bout of O. After rubbering up she mounted me and rode me to orgasm.

Pamela left me briefly and had had a shower. On her return she rejoined me on the bed and, after a few minutes touching, she began to give me more O. After mounting me again, she rolled us over (rather misguidedly I thought, as we both nearly went over the edge). I had my second orgasm firmly mounted on top.

We both retired to the bathroom for a quick shower and I was away at the 50 minute point (of an

hour appointment). I'd had sex to completion twice in the time which was what I wanted so, no complaints from me.
