The Premises:

A very cosy flat not far from Bayswater tube station.

The Lady:

Gabrielle is a very pretty Brazilian girl in her late 20's. She has a lovely dancer's figure, firm and lithe, and quite the most exquisitely silky caf?-au-lait skin that I've ever had the pleasure of touching.

The Story:

hornblowr says:

Gabrielle met me at the door to her flat in a very fetching wrap and some very nice high heels, and made me feel right at home. I was a little nervous as this was the first time that we'd met, but Gabrielle has such a friendly smile that I couldn't stay nervous for long.

We sat on the sofa and chatted for a few minutes to get to know each other a little, and then Gabrielle got up to fetch us both a glass of chilled wine, and as she came back her wrap fell gently open ...

I don't say that my eyes popped out of my head, because they didn't, but it certainly felt as though they might. Gabrielle was wearing the skimpiest set of underwear that I've seen for a long time, with a black quarter-cup bra framing perfect breasts, on a body that would get 10/10 marks anywhere.

After Gabrielle had kindly adjusted some of my clothing which had unaccountably become too tight, we repaired to the bed, Gabrielle spreading a freshly ironed sheet (a nice touch, I thought) over the top of the bedspread. And all the time we were chatting in a very relaxed way - Gabrielle is a very friendly girl, she had me smiling the whole evening.

And then we had our first interlude - stroking, kissing, some very nice oral (uncovered), reverse oral, and finally Gabrielle seemingly enjoying herself vigorously on top. After a while we both decided we needed a pause, and we had more relaxed chat, lying curled up around each other on the bed.

Gabrielle has a nice sense of humour and is very good company, and I really enjoyed the social

aspect of the evening.

Then suddenly for some reason I got cramp in my foot and had to hop around the bedroom on one leg for a while, while Gabrielle made sympathetic noises and tried not to laugh too hard.

And then one thing led to another and we were back in each other's arms, this time with me on top, which Gabrielle seemed to enjoy even more. I certainly enjoyed it, anyway! She has a way of whispering things in your ear while you're making love, which is really lovely. Eventually I persuaded her to let me go, and collapsed in a heap next to her on the bed, thoroughly (and happily) exhausted.

One thing I'll definitely be trying next time is her massage - we only had the opportunity for a short demonstration, but it was really quite extraordinarily good, and I'm only sorry I didn't let Gabrielle do more of it.

After a while (and after more chatting and cuddles) I finally got around to getting dressed, and after Gabrielle had made sure I was well looked-after, I left clutching a very juicy plum and some very happy memories.

In short, Gabrielle is pretty, fun, good company, knockout in bed, and has simply one of the best figures I've ever seen.

Gabrielle says:

What else can I add? It was just like that. We had really a great time!
