The Story:

(Joint report from hornblowr and Tara)

hornblowr writes:

Tara arrived in a low-cut black cocktail dress (as requested), looking very elegant and sexy. After initial greetings had been exchanged, we sat on the couch chatting over a bottle of wine kindly provided by Tara (who even remembered to bring a corkscrew).

I thought we were getting on pretty well, given that we'd only just met, we chatted about this and that, we sipped some wine, and we were generally having a very reasonable time. Then Tara lent over and gave me a kiss ... and all of a sudden I was swept into an absolute whirlpool of passion and kisses. I vaguely remember us stumbling over to the bed, Tara leaving a trail of my clothes on the floor, as she kissed me while apparently simultaneously removing all my clothes.

And then things came back into focus for a while, and I remember Tara taking her dress off over her head, and then me admiring her absolutely stunning body, very fetchingly attired in black underwear.

Tara had said before we met that she has a high sex drive, but this proved to be something of an understatement. Tara loves sex - every part of her seemed to be an erogenous zone, and every touch on her body brought an enthusiastic response. It was quite simply a joy to be there, kissing passionately and enjoying Tara's enjoyment of the moment as well as mine. I couldn't resist moving down and kissing Tara's other lips too, which were smooth, lovely and very sensitive ... I think we both enjoyed that bit.

After a while we both decided to pause for breath, and relaxed on the bed for a cosy chat. Tara is certainly a person I could talk to for hours, she's both interesting and forthcoming, and lying curled up next to her on the bed was a lovely experience in itself.

And then another gentle kiss from Tara and we were swept into a second session even more passionate than the first. She has a very erotic oral technique (uncovered) which I remember particularly, but most of all Tara just loves having fun. By the time we'd finished, we were both drenched and exhausted, having had an experience which for me was certainly exceptionally memorable.

After that, we lay on the bed, companionably entwined and talking, until it was way past Tara's time to leave. After a tender cuddle on the bed, I enjoyed watching Tara dress before giving her a final hug as she left.

If you like lots of sex with a beautiful, intelligent and practically insatiable woman, Tara is just the woman for you. I'm looking forward to seeing her again very soon.

My first contact with hornblowr was in the mirc chat room followed by an exchange of emails.

I admit I was a bit nervous when I arrived at the hotel but when that hotel door opened I was greeted with the most amazing blue "come to bed" eyes I've ever seen. My nerves then turned to pure excitement of what was about to follow.

After a little chat (which I can't honestly remember much about as my thoughts where elsewhere) I decided I couldn't just sit there anymore and pounced on him, for want of a better word.

Hornblowr is a very sexy man, a great kisser and within minutes (even seconds) I had his clothes off as well as mine. What followed was very intense and his oral skills left me as weak as a kitten and breathless on more than one occasion. What should have been a two hour booking turned into three, but who was watching the clock, not me!

Hornblowr is a perfect gent, has a great body and knows just how to please a woman.

Would I return if asked? I never wanted to leave in the first place!
