The Premises:

Nadia has just moved into a mainly unfurnished flat in the Redfield area of Bristol just off the A420, about a mile from the city centre.

The flat is quite hard to find, but very clean, safe and easy parking. It's also very discreet.

The Lady:

Nadia hasn't changed much since I lost contact with her 6 months ago. Still 5'6", slim and very pretty with a lovely Welsh lilt (did I say that??). Shoulder length brunette, dress size 8-10.

The Story:

Started with a good massage, then some gentle mutual foreplay, then an extremely athletic and wide ranging personal services. I can't do this "Forum" type detail stuff, so best you ask her yourself. Nadia could snog for England (or Wales) but she said it depends on the rapport with her client. She also mentioned she has a friend called Fiona - slim strawberry blond, - who could be available for the braver souls in our community.

I subsequently met Fiona in a (sadly) non working situation and can confirm she is also lovely and has long fingernails.
