### The Story:

I have known Charlotte for several years, when she was working in London. Now that she has moved permanently back to her home town of Brum, I can only see her occasionally when I happen to be there - but certainly don't miss the opportunity when I can!

As many other reports have already said, she really is the tops in every way - wonderful company, very welcoming, and the performance is stupendous!

Don't miss any chance you have to see her - a real GFE, and value in every way.
