The Lady:

As website but better looking. lovely petite philipino lady. I requested her to wear her schoolgirl outfit which was a bit of a mistake as I felt a bit of a perv when she started talking dirty. She did look good in it though.

The Story:

This was a few weeks ago now and i have only just got round to writing this. One of my best alltime punts. She french kisses like a gf which makes a nice change. Started off with owo and 69, she was lovely and smooth and clean shaven down there. Her bj is wonderful. Seemed to enjoy it when i stuck my finger up her fanny and arse. Then on with the condom and sex in missionary then doggy. Then told her I wanted to fuck her arse which was lovely and tight. Then off with the condom and she finished me by hand. Had a bit of a kiss and cuddle then onto round 2 of more oral and finished off shooting over her face. Wonderful. She told me she was going back to the phillipines for a hol a couple of days after our meeting and i'm not sure when she is back.
