The Story:

I have seen Melony several times before and never felt the urge to write about my time with her, bt having seen all the other FR's dicided my time had come..

I arrived and as requested asked Melony to wear her Black PVC thigh high boots, When I saw Melony I nearly shoot my lot at the door, she looked absolutley Fuckable as always. she lead me up the stairs soas I could see her beautiful rounded Bum and into the Bathroom..

Here I was treated to a very nice sexy slow Shower and had my very large by now 9' cock washed by Melony..

I was then dried and lead into the Bathroom where Melony gave me a wonderful Massage and asked to turn over where Melony just sunk down onto my very large stiffy, after about 10 minutes I asked Melony if I could taste her, Of course she replied and as always tasted so sweet and so soft...

After about 20 minutes of tongue licking pussy I asked melony if I could Fuck her, again no problem and I had the best ride of my life just pumping Melony with all 9 inches which she really enjoyed, I didnt want to finish here so asked Melony if I could CIM again no proble(Nothing is with Melony) so I stood in front of Melony and letb her sink her mounth deep around my cock and let her do her thing...I dint last very long with this and shot my load deep within her lips, Melony just drunk the whole load and asked me to fuck her once again as she wanted to come also.

I had no problem with this and just fucked her senseless until she screamed with joy!!!...

Fellas her website pictures are crap and I told her so,so dont take any notcie of these go and find out for yourselves what a wonderful person Melony is, and beleive me you will not be dissapointed!!!...enjoy
