The Lady:

Chloe defies words for decsription. She is simply divine. The pictures on her site give you a good indication of what she looks like. But that's it, just an indication. In the flesh she is so much more. Physically, she has silky smooth skin, equisite breasts, sublime bum and the most beautiful legs. An absolutely beautiful face too. She is pretty much perfect for me.

The Story:

It's been week since I saw her and I still can't get her out of my mind. It was the most wonderful enriching experience I've ever had. She was amazing.

She came to my hotel wearing a beautiful dress and I was taken aback by just how good she looked. She was completely on time and even though I was very nervous (my first time) she put me at ease very quickly. Above I've just described her physical appearance, but her best asset has to be her personality. She was so friendly and engaging. She made me feel at ease and I was doing a completely natural thing. We talked for a while as there was no hurry and she was a great conversationalist. I needed to be put at ease too and relax and talking to her made me feel that there was noone else in the world. She was a very genuine, caring and attentive person in every way.

Well I wouldn't be on here if it was just a good conversation I was after so we continued on and sorry to say it again. She was amazing. We kissed a lot and we both enjoyed and explored each others bodies. We both gave and received in equal measure and it was a heavenly experience. I'm not going to get into specifics and if you do want to know what she does and doesn't do then check out her web page and email or call her.

It's easy for some of us to think that girls are putting on a show for us and I guess to a certain extent they are, but, and I can't stress this enough. Chloe seemed to genuinely appreciate what we were doing to each other. She was a total star.

I like to take my time with a woman and to try and turn her an as much as she does me. Chloe is beautiful of heart as well as appearance. A real diamond and it was my honour to have spent this

time with her. She deserves the best in life and should be treated like the lady she is. Exquisite and elegant. So guys treat her well and you will not be disappointed.

I will definitely see her again as soon as my bank fills up a bit. Very highly recommended. The term Girlfriend Experience (GFE) was invented for ladies like Chloe. The ultimate and the best.
