The Story:

This is an update from my previous report where I stated that I would see if Kirsty's service improved with time.

Unfortunately after a number of visits it hasn't. She still has a severe lack of enthusiasm, and the service is below average (I think it has actually got worse as she expects me to return no matter how bad she gets) which is a shame as she is such a stunning girl. I think that my visits to see kirsty have come to an end, as I know that there are much better ladies out there.
