The Premises:

Well reported professionally run on an industrial scale. Clean and inviting I find. Very outgoing friendly reception staff.

The Lady:

Late 30s/attractive exotic looks/long slender legs/good sized reasonably firm tits/firm round bum/black hair/nice skin/Figure is very good for her age.

The Story:

I didn't have to wait around for very long an instant bonus. Liked Patrice a lot, a very refined lady easy going attentive professionally friendly and definitely willingly hungry. She helped me finish drying off we skipped the niceties due to a major erection hovering into view while she towelled me Patrice was quickly nekkid and what a sight it is, slim slender she looks very inviting especially those slender long legs borrowed from someone much younger. There is a lot going for her, she has such a polite charming nature I could imagine her as a secretary or similar. I faced the front to let her get going, hands rubbing lightly on my back then as requested really squeezing my bum and opening my legs to get a handful of the onion bag Felt her hair land on my bum then her lips began kissing all around my moonscape, delicious I sucked hard on her nipples for a bit then panned down to her pussy opening her legs, plating her until she was fully wet. No pressure on time plenty of scope to really explore each other. I suggested she sit on my face to which she readily agreed sinking herself down slowly onto my I expect smiling face. Watching firm thighs and a firm bum encasing a wet pussy descending towards me is very exciting.. Up at her her end the sensations were flowing thick and fast she kept a a grip of me squeezing upwards while keeping her lips tight around me, a very good performance. Don't know how long we were feeding on each other time slipped away she was very attentive and liked the sensations she was on the end of. I couldn't let her get away without a fuck, slipped a rubber with Patrice slipping onto me for a quick but intense ride, during which she leant forward to give me a full open mouth kiss which I wondered if this was going to happen. Moved around to have a hard go in the mish and back to her on top. IN the cockpit the lady went for it the final kiss with Patrice pressed down hard onto me was really beyond the passion you'd expect for a hundred quid, we were both carried away. Patrice opened my legs got down between them more excellent head and licked at my balls eventually accepting my gunk

hosed into her mouth. Stayed in position as my orgasm lasted tickling with the tip of her tongue, also ensuring the last drop was removed. Laid back and let Patrice do all the work once I was ready again found myself on the receiving end of another excellent head count her warm tongue darting all over the show. Extremely pleasurable hours pampering.
