The Premises:

At end of cul-de-sac. Plenty of parking. Top floor of a small block of flats with individual buzzers at main entrance door. Very discreet. Easy access by road from A.37, A.38 and via southern ring road from A.4. Roxanne gives very clear directions if you ask. Tastefully decorated, clean bedroom with good firm bed and comfortable armchair suitable for a wide range of activities.

The Lady:

Slim blonde, 5' 6", with catwalk type figure, and intelligent blue green eyes. Looks good in any clothes, better still without. Always looks stunning when she greets you at the door. Her breasts, though very small are capped with beautifully formed sensitive nipples. The same goes for all of the other vital bits for any hobbyist. She has a wide generous mouth and a perfect musky tasting shaven pussy. In her early thirties, but her free spirit always makes her seem much younger. She has had time to acquire a huge amount of experience and expertise. Visit her and you will see what I mean!

The Story:

We had both passed birthdays since our previous meeting so we chose to celebrate the fact that the gap between our ages remained the same. 30 years!! She agreed to my proposition to attempt to ejaculate twice. To have any chance I needed at least 80 minutes. We wasted no time in setting about a glorious fuck which still lasted at least six minutes a was the usual mind blowing experience in it's own right. The next hour was just as nice in it's own way, conversing, carousing and arousing, which included my wicked tongue giving Roxanne one of her dainty shuddering orgasms. Our second fuck was an epic 15 minutes ending, alas, in glorious failure, but bless her for letting me try. She is a heroine. Being humped for 15 minutes by a 12 stone man takes a lot of effort on her part. Brilliant!
