The Premises:

A flat opposite a park in East London. Lots of parking. A peaceful residential area. Very safe. front door is always left open.

The Lady:

Very petite gorgeous english brunette with Blonde tints in her hair. Size 6-8 in clothes. A real school girl type. 19 years old. Nice eyes. small firm frame and cute pert breasts.

The Story:

I went for reverse french and a full personal. she started off by kissing me. She is very sensual. She then smiled at me and guided my head in between her legs. I licked her and she wiggled her waist around until she came. I felt her juices run down my chin.

I then got on top and pumped her for 10 mins until I shot my gun. Collette was very warm and friendly all the time. She touches kisses and caresses brilliantly. I think she is gonna be a gem. Give her a go and tell me what you think. U wont be disapointed.
